Church Confession Reading: Article 3

God had decreed in Himself, before the world was, concerning all things, whether necessary, accidental or voluntary, with all the circumstances of them, to work, dispose, and bring about all things according to the counsel of His own will, to His glory: (Yet without being the [chargeable] author of sin, or having fellowship with any therein) in which appears His wisdom in disposing all things, unchangeableness, power, and faithfulness in accomplishing His decree: And God hath before the foundation of the world, foreordained some men to eternal life, through Jesus Christ, to the praise and glory of His grace; [having foreordained and] leaving the rest in their sin to their just condemnation, to the praise of His justice.
